

PADI Adventure Diver

1 day and 3 dives later you will be a licensed "Adventure Diver". The next step after your Open Water Course - experience the adventure of different diving opportunities eg diving deeper, diving a wreck, finding your way, take great photos and many more to choose from. You and your Instructor will dive the wreck of the King Cruiser, Shark Point and 1 other site together

Course cost : 6,000 THB plus please bring 3 passport photos

PADI Advanced Open Water Diver

2 days and 5 exciting dives later, you can become an Advanced Open Water Diver. You will make a Deep and a Navigation dive, plus your choice of 3 adventure dives eg Underwater Naturalist, Photographer, Wreck Diver, Drift Diver, Search & Recovery. Discuss your choices with your Instructor and have a great time expanding your diving skills. If you are already an Adventure Diver, upgrade to Advanced with just 2 more dives - see Option C.
