

PADI Scuba Diver

It only takes 2 days of fun and intense adventure to become a PADI Scuba Diver !

The Padi Scuba Diver programme is a pre-entry level certification that enables you to dive anytime, anywhere, under the supervision of a PADI professional. On day 1 you'll learn about scuba fundamentals, equipment and techniques. Plus practice skills by diving in a pool or pool-like body of water. On day 2, you'll make 2 open water dives with your instructor.

Should you choose, you can continue through to PADI Open Water Diver any where in the world any time in the next 12 months or by simply completing 2 more days - 1 day of academics and pool practice plus another great day's diving at Kamala, or Koh Waeo or Racha Yai !

For either option, a typical Day 1 schedule would be :-

09:30- 13:00 Knowledge Development
13:00- 14:00 Lunch
